CLC® BRINGS THE NEXT GENERATION OF TOOL STORAGE TO DEWALT® WORK GEAR

South Gate, CA (June 1, 2016) – DEWALT® has a long history of making quality tools. CLC® Work Gear, with over 30-years' experience as the leader in tool storage for *Pros* and *DIYers*, has added to that history with unprecedented innovation. CLC® Work Gear is excited to announce the launch of our new DEWALT® USB Charging Tool Backpack and DEWALT® Lighted USB Charging Tool Backpack.

The **DEWALT Lighted USB Charging Tool Backpack** features a USB charging dock that can simultaneously charge two devices via USB ports along with an integrated 200 lumen 2-level LED light system, all of this being powered by your DEWALT® 20V MAX* lithium ion battery (not included). Charge your tablet, phone, and/or camera while they are stored in the internal charging compartment. The powerful 200 lumen light with an adjustable steel neck can be used to light up the bag contents or illuminate your work area. The bag's multiple pockets help you better organize your tools and keep them in sight for quick access. This backpack also features padded web carrying handles and adjustable shoulder straps for comfortable and convenient hands free transport.

DEWALT® by CLC® brings innovation to the job site. The new technical series represents the toughest work gear reimagined. Designed with integrated, resourceful technologies, the latest DEWALT® Work Gear tool backpacks bring new level of innovation to the jobsite. Whether you're an HVAC technician, electrician, plumber, or maintenance repair professional, the seamless integration of power distribution and illumination is sure to redefine convenience on any jobsite. CLC® has designed and built DEWALT®'s technical series to be the next generation of tool storage.

Harry Karapetian, Vice President of Sales adds, "The response to this new innovation is very exciting. As Professionals and DIYers include tablets, cameras, and phones as essentials in their tool bag, the integrated USB Charging innovation is an added necessity to soft-side tool storage. CLC® has truly created the next generation of job site storage solutions for the Professional and DYI customer."

###
